Karl received an email request for an interview from CBS Evening News that he just passed along to me. I'll need to engage HQ and wanted you to get a heads up first. Al Jazeera has also requested an interview as well.

- Jack Renaud, producer, CBS News: We are looking to do a story about the Bridgeton Landfill for next Monday or Tuesday. Brief on-camera interview. Will attend Community Advisory Group meeting Monday night. "We are eager to present a fair/reasoned story – NOT looking to stoke anyone's concerns. Hoping we can chat at your earliest opportunity."

- Marla Cichowski, Al Jazeera America. Requested to interview an EPA expert at the CAG meeting Monday.
